Niseko Backcountry Ski Tour

8 Day Ski Tour Hokkaido, Japan

The Niseko region of Japan is ideally located so that it receives a unique mixture of cold Siberian air and warm moisture from the Sea of Japan. The result is the best powder snow on Earth. The goal of the Niseko Backcountry Ski Tour is to balance the incredible cultural experience of Japan's northern island, with providing the best possible skiing the area has to offer. With this combination of quality snow in a fantastic place, this tour promises to be a ski trip of a lifetime.

What to Expect: This trip is lodge-based backcountry ski trip. As such we will be staying each night in a traditional Japanese Ryokan. Be prepared to sleep in traditional Tatami matted rooms and visit open spas most evenings. Each day the group will travel from the lodge to another area to ski. While some days may be solely accessed by ski touring most days will have at least some element of mechanized access via chair lift or other means. The group may move lodges multiple times in the course of the trip to experience the best terrain and conditions available.

Dates & Prices: Check on our website at: [Dates & Prices](#)

Includes: Information support, professional guides, Local Transportation from and to Sapporo, Japan, all lodging, simple breakfasts and dinners, entrance fees to parks, permits, radios, group technical equipment, and

Food & Beverages: Additional food and beverage (including soda* and alcohol*) not included.

Not included: Airfare to and from Sapporo Japan*, lunches, snack food and beverages as noted above*, laundry, and personal skiing and touring equipment.

Group size: Limited to 8 skiers and two guides

Route: Each day the guides will pick a side country or mechanized objective that may include some ski touring. Route decisions are subject to change throughout the trip due to weather, skier ability, and avalanche/snow conditions.

The level of Experience Needed: **Skiers**, for this trip should be experienced in backcountry ski touring and should be able to skin for at least one hour at a time in moderate terrain. For the downhill skiers should be experienced in a variety of conditions including powder skiing.

Physical Conditioning: Skiers – This trip includes both downhill and ski touring. To ensure you have the best possible experience we recommend some physical training for 6-8 weeks before departure. Should include cardio workouts such as running, swimming, versa climbing, and of course backcountry skiing for at least one continuous hour for three days a week.

Acclimatization: Unlike most of our international trips skiing in Japan is at or near sea level. The average altitude on this trip is below 4,000ft, so an acclimatization schedule is not necessary.

Equipment: Please follow the enclosed equipment list. It is vital you bring everything on the list. If you have any questions or would like to know about a possible substitution, please give our office a call.

General Precautions for International Travel: Japan does not require you to get a visa for stays less than 90 days. If you plan on staying longer than that before or after the trip, please check with the Japanese embassy before departure.

Immunizations: Immunization recommendations are constantly changing, so we recommend checking with the Center for Disease Control and Prevention before departure. Below is the CDC's travel information for Japan: [Japan Travel Information, Visa, Immunizations, Covid requirements](#)

Passports and other Documentation: You are **required** to have a **passport with six months before expiration with at least two blank page for Visa / Exit & Entry stamps** for travel in Japan and entrance back into the United States.

Not included in the cost of the trip: Airport Exit Taxes may not be included in your airline ticket, check with your airline.

Baggage Restrictions: Please check with your airline and point of departure for luggage restrictions. Departures from the US allow you to check two bags (not exceeding 50 lbs per bag) with one additional carry on not to exceed 40 pounds. The equipment on our list is under the weight and size restrictions for domestic airlines are leaving from the U.S. However, please check with your airline or travel agent when making your airline reservations, to avoid excess baggage charges, which can be expensive.

Meeting Location: We will be contacting you at least **14 days** before your departure with the name and phone number of the hotel in Sapporo, Japan, where you will be meeting your guides with instruction on how to get from the airport to the hotel. Depending on the arrival times of your flights, we may meet you at the airport; we will be in contact to discuss the options.

International Expeditions & Treks: A 25% deposit is required to book International Expedition or Trek; an additional 25% deposit is required 90 days before departure, with the balance due 60 days prior to departure. If you cancel your reservation 90 days before your expedition or trek, a \$1,000.00 cancellation fee is required, and
